Chief, Records Management Staff

Weekly Report for Week Ending 12 November 1958

- (2) Completed one new and seven revised forms.
- (3) Consolidated and Improved Records Management Staff files thus releasing one four drawer safe to stock.

b. Intangible

- (1) Completed a study on the use of 10-inch paper for machine listings and recommended to the Chief, Supply Division, that this size be stocked in addition to the 11-inch machine paper.
